

The Perfect Cabin Cruiser

XQUISITE  
40 POWERCAT

The new Xquisite **40 Powercat** was designed in collaboration with Dixon Yacht Design to create the perfect cabin cruiser to spend the weekends or even weeks for exploring the stunning waters of the Bahamas. She's designed for speed and has a shallow draft, allowing easy access to beaches thanks to the hydraulic forward steps.

The cockpit can be fully enclosed for air conditioning or to protect against bad weather, and the aft deck extends to a spacious beach club-style area.

Customizable with a range of engine choices, from inboard, outboard, diesel, or electric, to suit your specific needs.

- Electric sunshade and awning above aft sundeck
- Solar panels integrated into the hardtop
- Electric grill, fridge, icemaker
- Convertible seating for larger dining or sun bed area
- Large aft sundeck with opening sides
- Hydraulic swim ladder

● 48VDC air conditioning  
both for cockpit and  
interiors

● Cockpit canvas enclosure  
recessed stowage in  
hardtop

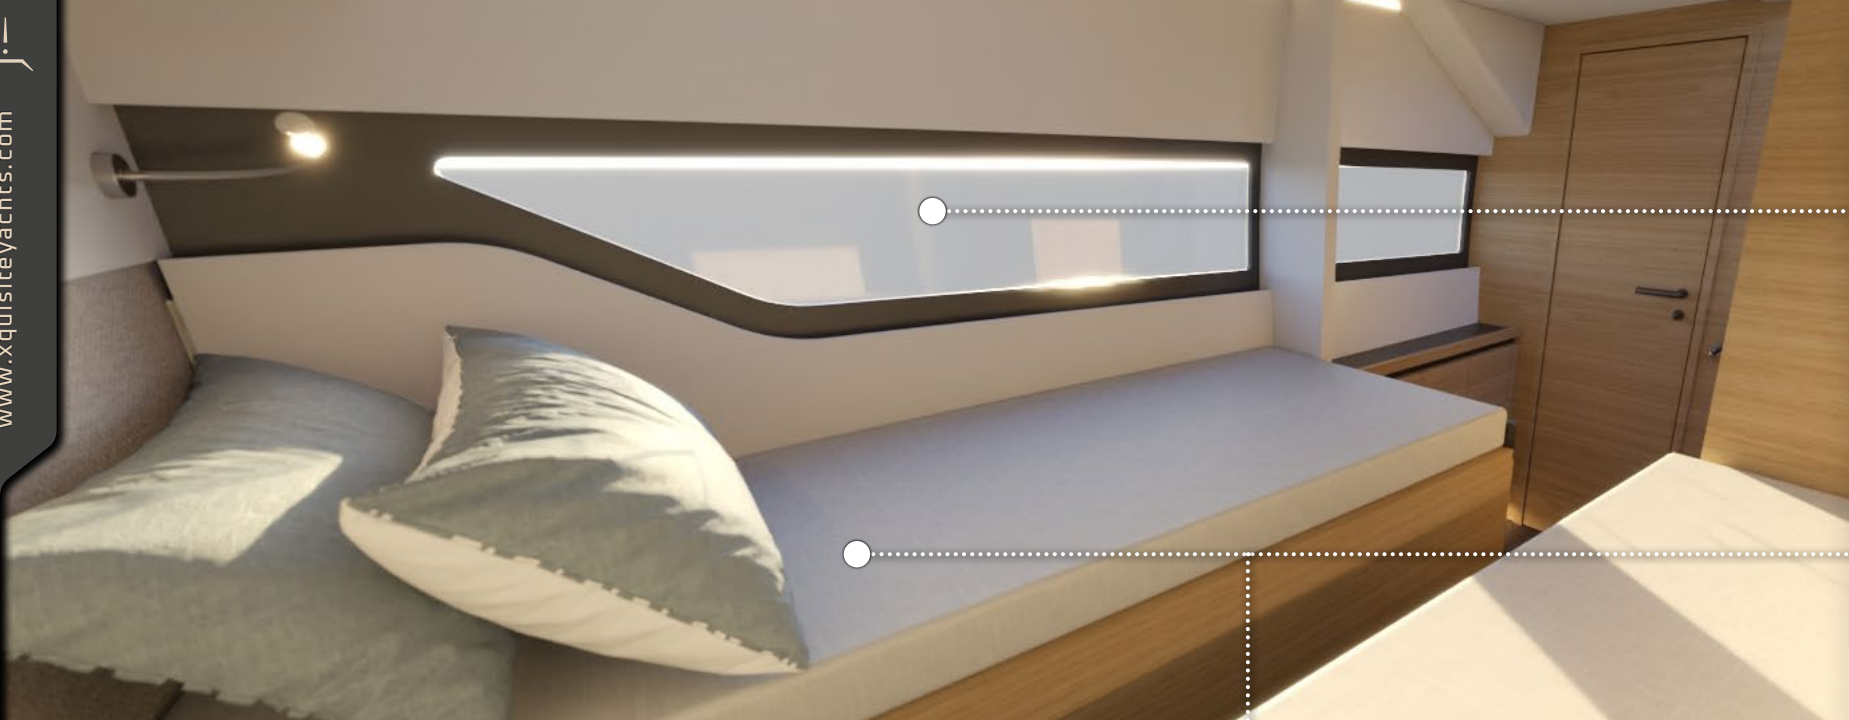

- Drink holders, high-tech audio system, and recessed LED lights in the foredeck
- Large forward sun beds with shade on carbon poles
- Hydraulic folding hideaway anchor system
- Folding ladder in the bow for easy beach access

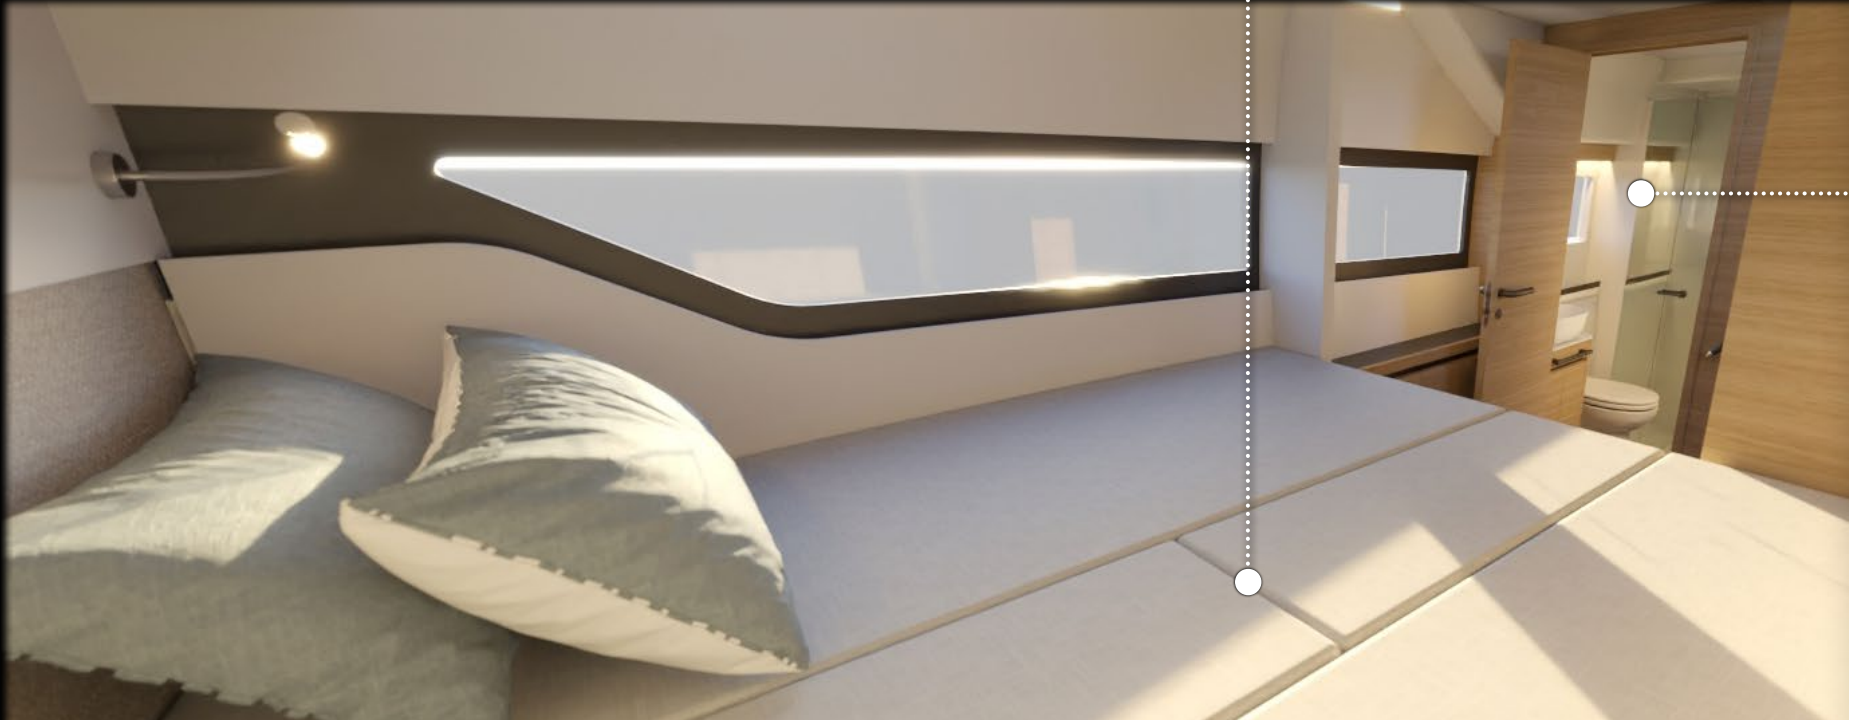

● Large windows and multiple opening hatches for good natural ventilation

● Large convertible beds

● Bathrooms with separate shower stalls

● Two en-suite cabins
